

**APPLICATION FOR DRUG- AND ALCOHOL-FREE WORKPLACE PREMIUM CREDIT PROGRAM**

Name of Employer: \_\_\_\_\_

Date Program Implemented: \_\_\_\_\_

This form must be completed by you and returned to your carrier with a copy of applicable documentation as proof of compliance before the premium credit of 5% can be established and processed. *A program must be certified during each year the employer receives credit.* Failure to do so will remove you from eligibility for this credit.

**Following are the four minimum requirements necessary for a qualified employer workplace program. Please check the items below that apply.**

- 1. Substance Abuse Policy Statement:**  
By law, any policy must be designed to help employees who need substance abuse assistance while, at the same time, sending a clear message that the abuse of drugs and alcohol is not compatible with employment in that employer's workplace. The policy statement must evidence both the employer's respect for its employees and the employer's need to maintain a safe, productive, substance abuse-free environment.
- 2. Employee Notification:**  
In order to protect the individual rights of each employee and to begin the employee education process necessary for a well-defined, well-managed workplace drug and alcohol abuse prevention program, each existing employee and each new employee hired after program implementation must be given a clear, concise, readable notice of the program, the program's requirements, the policy statement, and the employer's expectations under the program. Notification should be, and should remain, posted in employee common areas. In addition, each existing employee and each new employee must be given, by mail or by in-person delivery, a copy of the notice. Delivery may be accomplished by inclusion of the notice within the employee's paycheck package or any similarly important-to-the-employee correspondence or benefits delivery.
- 3. Testing Procedure:**  
The testing procedure must include a provision for random sampling of all persons who receive wages and compensation in any form from the employer. If a second test is administered, the testing procedure may allow for a single sample to be split for use in the first and second tests. Positive test results must be provided in writing to the employee within 24 hours of the time the employer receives the test results. Each employer must keep records of each test for up to one year.
- 4. Test Results Confidentiality Protocols:**  
Test results, information, interviews, reports, statements, and memorandums received by the employer must be considered confidential but may be used or received in evidence, obtained in discovery, or disclosed in any civil or administrative proceeding. The burden to protect against unauthorized release is placed not only upon the employer and any laboratory, medical review officer, or rehabilitation program or their agents, but also upon the underwriting carrier. Employers, laboratories, medical review officers, carriers, drug or alcohol rehabilitation programs, and employer drug prevention programs, and their agents who receive or have access to information concerning test results, must keep all information confidential. Release of such information under any other circumstance shall be solely pursuant to a written consent form signed voluntarily by the employee tested or their designee unless the release is completed through disclosure by an agency of the State in a civil or administrative proceeding, an order of a court of competent jurisdiction, or the determination of a professional or occupational licensing board in a related disciplinary proceeding. The consent form must contain, at a minimum:
  - (1) The name of the person who is authorized to obtain the information;
  - (2) The purpose of the disclosure;
  - (3) The precise information to be disclosed;
  - (4) The duration of the consent; and
  - (5) The signature of a person authorizing release of the information.

Information on test results shall not be released for or used or admissible in any criminal proceeding against the employee.

**I certify that the above information is accurate. If it is determined that there is any misrepresentation of the established drug- and alcohol-free workplace premium credit program requirements, I may be subject to an additional premium charge.
